

## What is it?

Vision insurance covers preventative care, such as annual exams, and delivers preferred pricing for additional needs like glasses, contacts, and more.

## Why is this coverage valuable?

When you have vision coverage, you're protecting your eyes and your budget.

## Your vision coverage

| Vision                            |                                                                                                                                                                                                                               |                           |

| Eye examination                   | Every 12 months                                                                                                                                                                                                               | Every 12 months           |
| Eyeglass lenses OR contact lenses | Every 12 months                                                                                                                                                                                                               | Every 12 months           |
| Eyeglass frames                   | Every 24 months                                                                                                                                                                                                               | Every 24 months           |
| <b>General information</b>        | <i>Lincoln VisionConnect®</i> members are supported through the Spectera Vision network. When you visit your eye care provider, let the office know you're a Spectera customer to maximize your in-network provider benefits. |                           |

For additional information and details on your plan offering, please see your policy.

## Vision rate information

| Coverage                | Monthly rate |
|-------------------------|--------------|
| Employee only           | \$6.52       |
| Employee and spouse     | \$13.95      |
| Employee and child(ren) | \$11.30      |
| Employee and family     | \$18.73      |

## Plan features

### In-network versus out-of-network coverage

- To find a Spectera vision network provider close to work or home, call **800-440-8453** or follow a few easy steps online:
  - Visit **lvc.lfg.com**.
  - On the right side of the page, enter a ZIP code or street address in the **Provider Quick Search** box.
  - Select the **Search** button to display a list of providers near you.
- If you choose an out-of-network provider, you pay the provider in full and submit a claim for reimbursement of covered services and products.
- Lincoln's exclusive in-network partnership with Warby Parker lets employees use their annual allowances to purchase eyeglass lenses and/or contact lenses from this convenient online and retail vendor.

### Covered contact lens selection

- *Lincoln VisionConnect* gives you the option to choose contact lenses instead of eyeglass lenses.
- *Lincoln VisionConnect* features a covered contact lens selection benefit.
  - This benefit covers fitting and evaluation fees, up to four boxes of contact lenses (depending on the prescription), and two follow-up visits.
  - To view your current covered contact lens choices, visit **lvc.lfg.com** or call **800-440-8453**.
  - The covered contact lens selection isn't available at 1-800 Contacts, Costco®, LensCrafters, Sam's Club®, Target, Walmart®, or Warby Parker locations.

### Contact Lenses

- Contact Lenses are provided in lieu of eyeglasses (lenses and frame). Benefits may only be applied under one of the three benefit options.

### Other contact lens options

A \$125 allowance is provided for all other contact lenses, and for contact lenses purchased at 1-800 Contacts, Costco, LensCrafters, Sam's Club, Target, Walmart, or Warby Parker, with no copay.

Note: This allowance doesn't include the cost of a fitting, evaluation, or follow-up.

### Necessary contact lenses

Contact lenses are considered necessary at the discretion of the eye care provider and are covered 100% (after a low or no copay) when you choose an in-network provider.

### Eyeglass frames

- *Lincoln VisionConnect* provides a \$130 retail frame allowance. This covers many of today's popular eyeglass frames.
- If the cost of the frames you choose exceeds \$130, you simply pay the remaining balance, which may include a discount of up to 30% at participating providers.
